

Spring 2024 Homeschool Classes

Leu Civic Center

Registration for classes is at leuciviccenter.net under Daytime Programs. Registration is expected to open by February 27th. Some classes have limited class sizes; early registration is recommended.

Monday Classes

Cooking Club w/Cecelia Lopez

Mondays 5-6pm Ages 6+ (please contact instructor if child is younger), \$50 plus \$50 supply fee max 10

Bored of Normal Snacks? Want to let your imagination flow and play with your food? Look no further! This is a fun place where you can learn simple, fun & delicious dessert recipes that do not take a long time! Recipes with basic items that you may have at home! Monday and Thursday classes will be 2 different classes DISCLOSURE: Please inform me if there are any food allergies or dietary restrictions! I will work with you to enjoy these recipes

Tuesday Classes

Historical Conquest- w/Christian Tolbert π

Tuesdays 11am-12pm, Ages 10-18, \$15, min 4 w/max 15

Historical Conquest is an interactive way to learn history! Students must purchase and bring a starter deck to first class. For more information and to order your deck please visit: <https://www.historicalconquest.com>

Eating the Rainbow w/Lynda Ott

Tuesday 11-12:45 Ages 8+, \$50 fee, max 10

Each week this class will focus on eating a food group based on color. Red, Orange, Yellow, Green/Indigo, Blue/Violet, and White. According to Healthline.com, "eating the rainbow involves eating fruits and vegetables of different colors every day. Plants contain different pigments, or phytonutrients, which give them their color. Different-colored plants are linked to higher levels of specific nutrients and health benefits" The class will utilize cold, hot, sweet, and savory dishes to expose students to several unfamiliar foods in unique and yummy ways. ****Mesh gloves for cutting are suggested but not mandatory (I will have a few on hand for use).

Cyber-Up

Tuesday 12-1: 9-11 year olds, Tuesday 1-2: 7-9 year olds, Tuesday 2-3: 11-13, max 30 per age group,

Dates: March 19&26 and April 2&9th . FREE)

CyberUp partners with cyber security experts to provide a fun, free, hands-on experience for students to learn about the Internet and how to stay safe while they use it. Must fill out photo release form to participate in class.
